## CHAPTER 88

# ROOT AND BRANCH

Part 1 of 3

A force known only by the handle "Evs Dropper" has infiltrated "The Company". While Evs lays seeds to bring the Company down, most of its agents continue with business as usual...

Company agents are paired into "one of us, one of them" partnerships. Each partnership is unique, but at one time or another they are all receive the same basic mission – "bag and tag."
